

NEW HOPE

MISSIONARY BAPTIST CHURCH
December 1, 2020

Rev. Hosie L. Hopkins, Jr.
Senior Pastor

To my beloved New Hope Family,

I pray that this message finds you safe and in good health. I know that we are enduring some difficult times right now and it's imperative that we maintain our faith; God will see us through (this to will past). I encourage you to please stay connected by way of You-Tube or Facebook as our worship is broadcast weekly for those who choose to watch by way of virtual rather than in person. Please know that having a safe worship experience is our priority, we are taking measures to ensure your safety; however, if you are not comfortable please continue to watch and follow virtually. I also would like to thank those who have supported the ministry though- out this pandemic; because of you we are able to continue the work. For those of you who have not and are able I ask for your support. The last eight months we were able to accomplish a number of things in spite of the pandemic.

- No Layoffs
- All Bills Paid
- Upgrade telephone system
- Upgrade Security System
- Upgrade Media Equipment
- New Stain Glass in the Sanctuary
- New Walkway / Sidewalk
- Purchase Sanitizing Equipment
- Partner with the Memphis Food Bank- feeding over 500 Families
- Donate thousands of dollars to the Memphis Food Bank to help maintain their food supply level for the Memphis area.
- Women's Ministry & Youth Ministry giving support to the community

GOD is Good All the Time, HE has truly blessed New Hope Church family, as this pandemic lingers it is going to get more and more difficult. Those of you that are giving and contributing on the regular please continue; those that are not and are able I challenge you to contribute. Again, know that I am praying for you always; you are constantly in my thoughts and prayers. Thank you for praying for me. We will be in worship together again real soon. Until then stay safe, encouraged and prayed up!
